

Account alarm: Configure in just a few steps

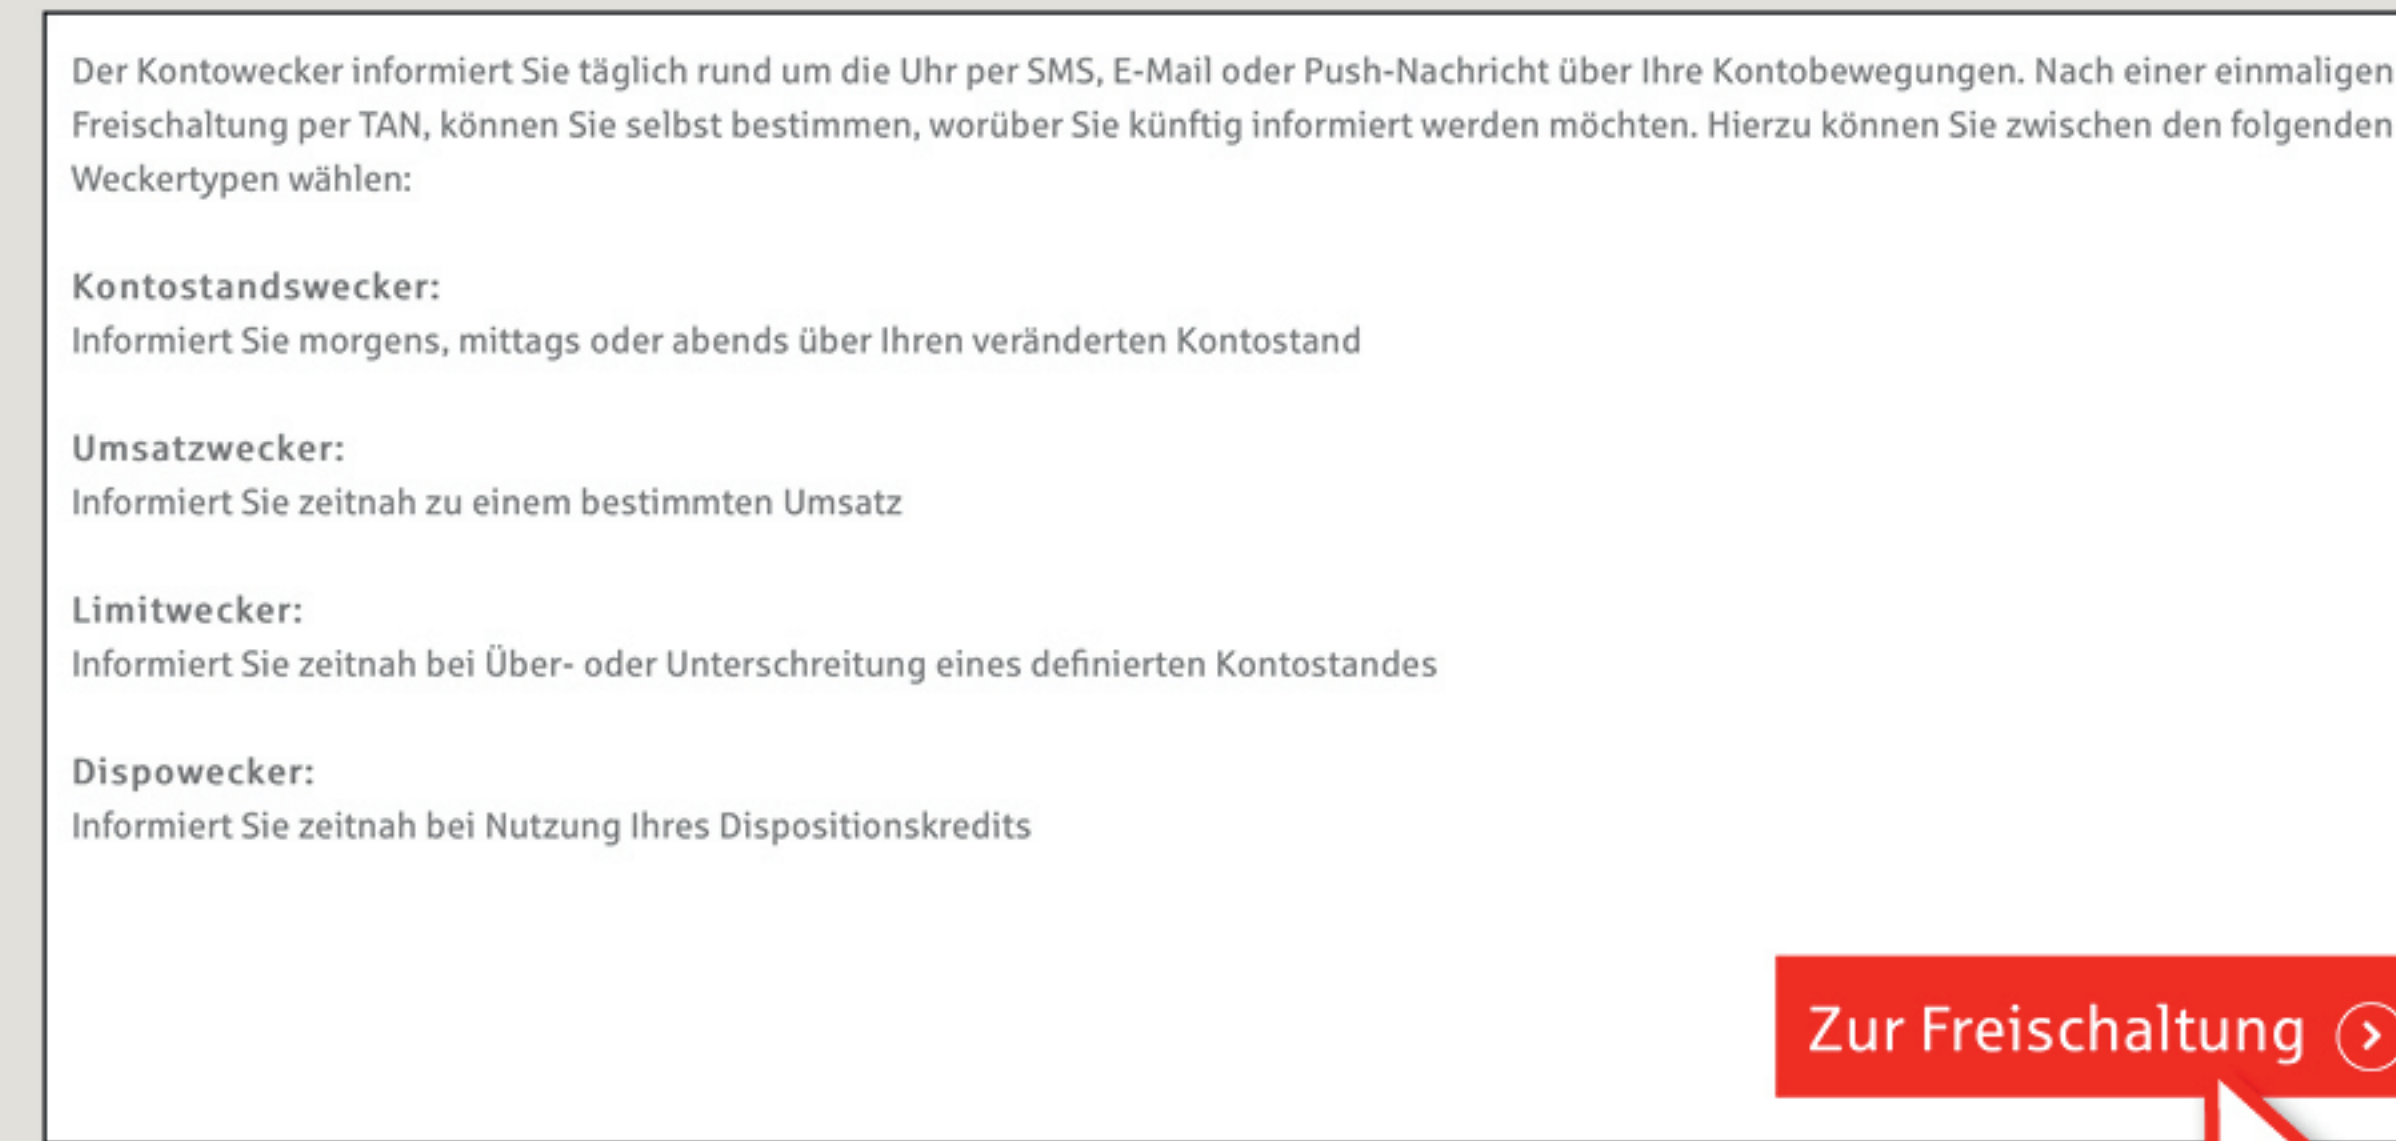

www.sparkasse-freiburg.de/kontowecker

 Sparkasse
Freiburg-Nördlicher Breisgau

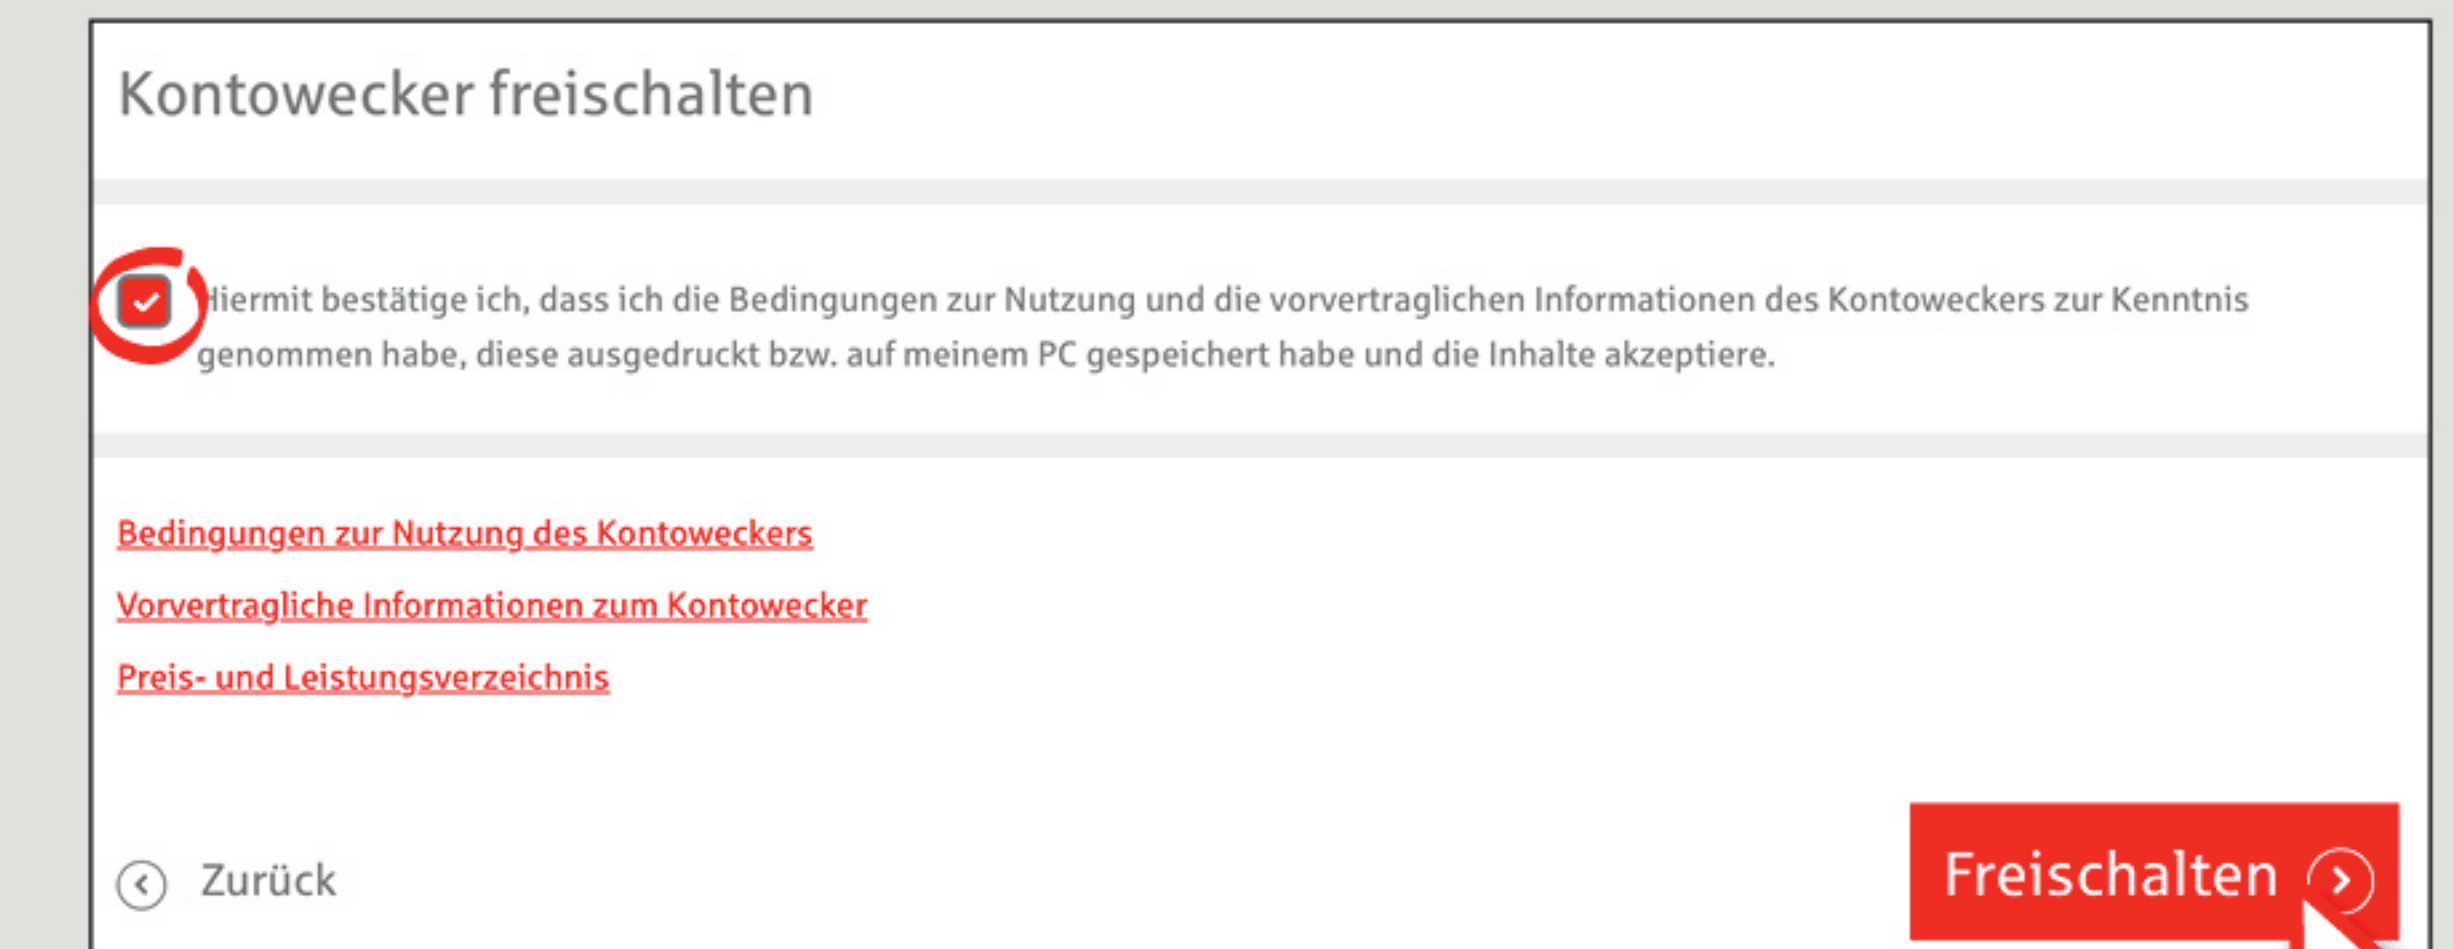

1 Log on to online banking. The alarm option is available under “online banking” → turnover (“Umsätze”).

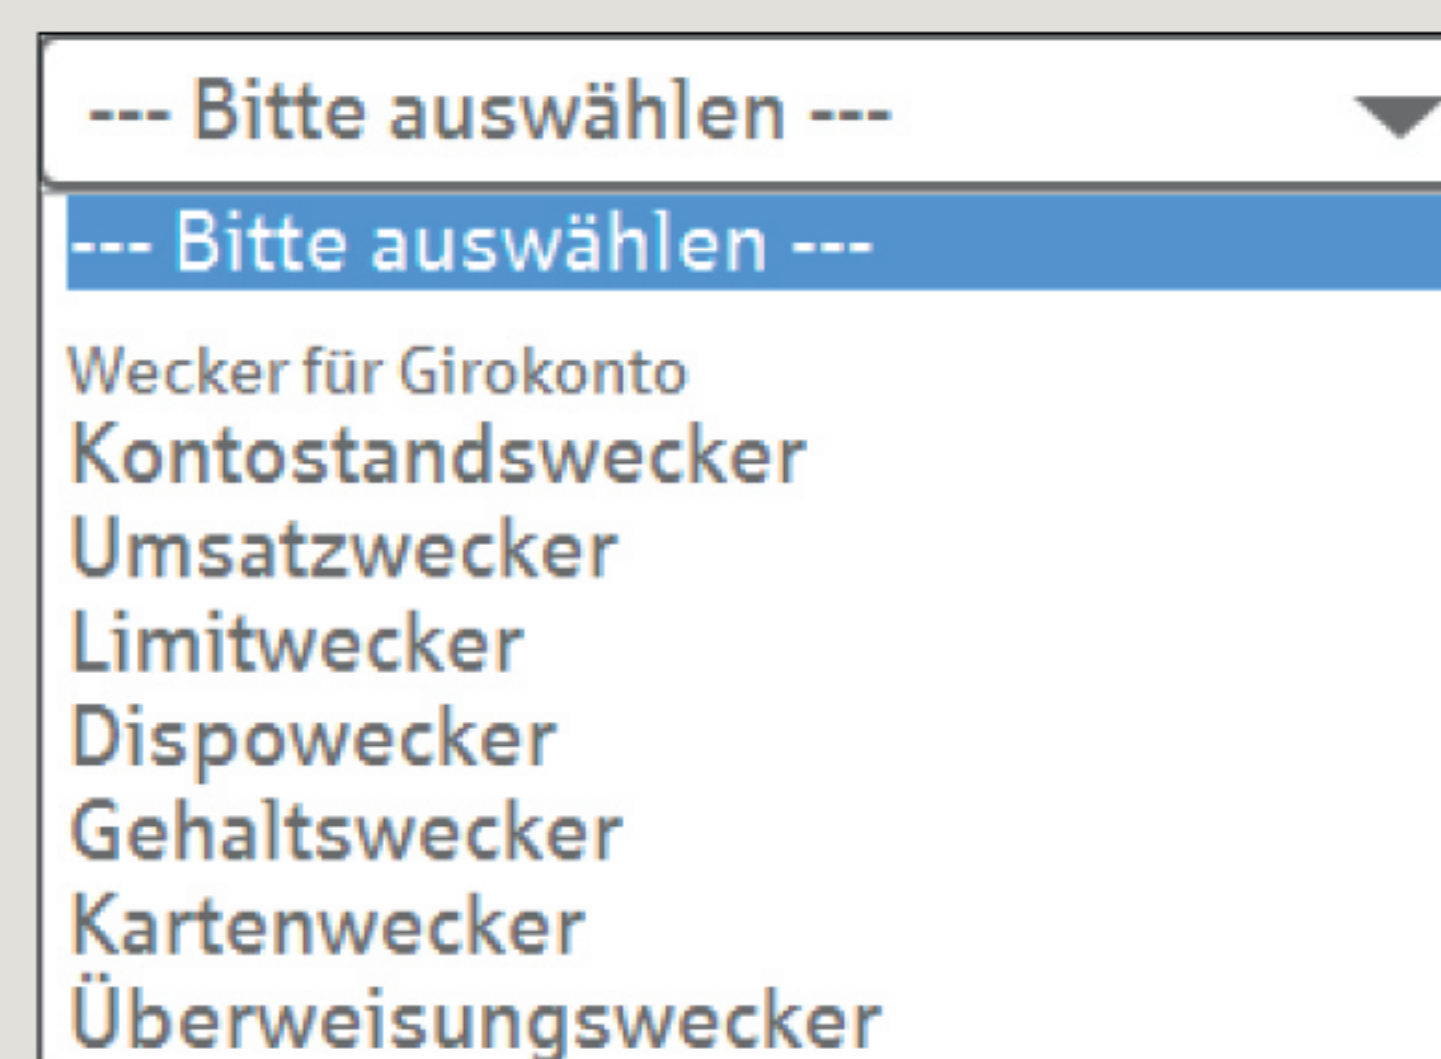

2 For initial configuration, you must enable the account alarm option. Tap **enable** (“Zur Freischaltung”).

3 Use the checkbox to confirm you have read the legal information and documents. Tap **enable** (“Freischalten”) and confirm activation by entering your TAN.

4 These account alarms are available:

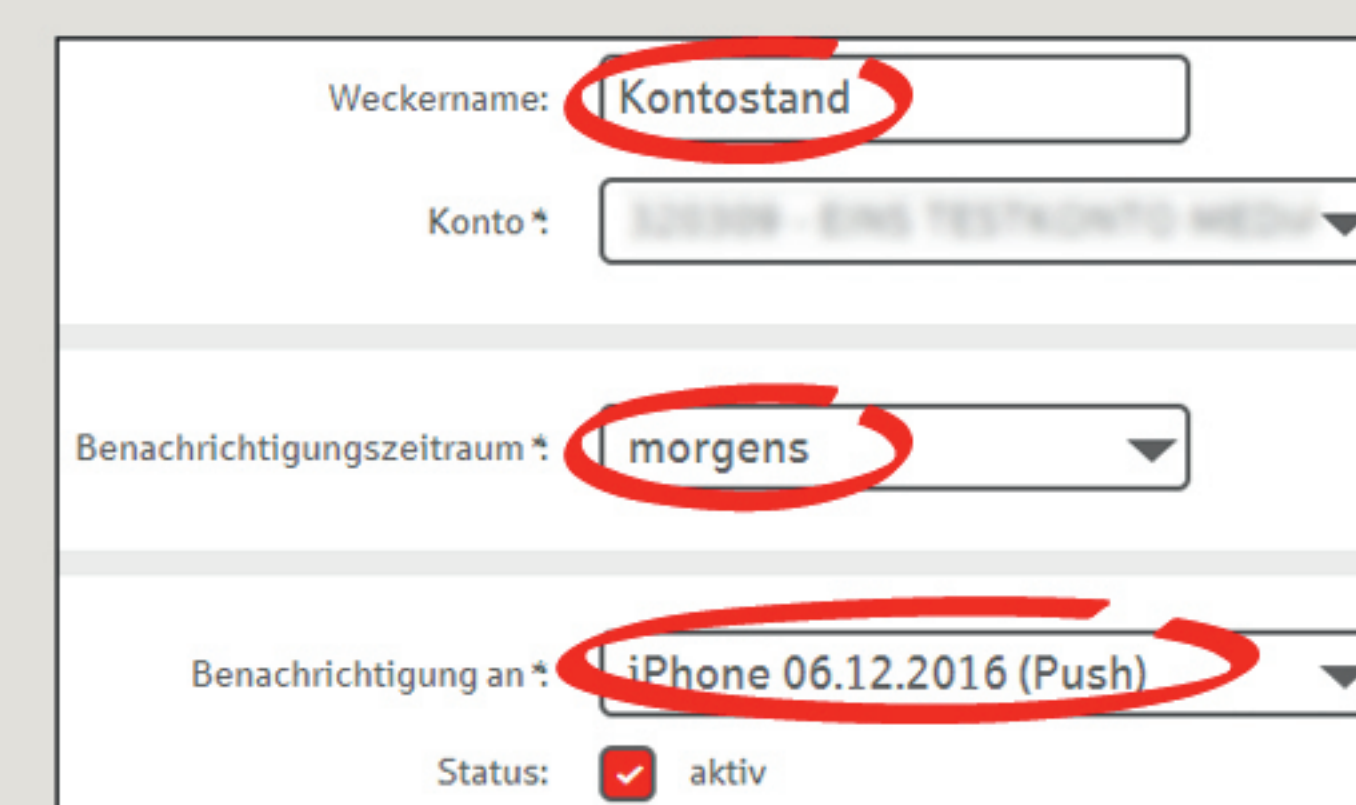

To configure a new alarm, select an alarm type from the list and click on “+”.

5a How to set an account balance alarm: Enter a name for the alarm. Select the account for which you wish to set an alarm and enter a notification period.

Select an existing email address or push notification* using **Notification to** (“Benachrichtigung an”). If you wish to create a new recipient address (email or push notification), tap “+”.

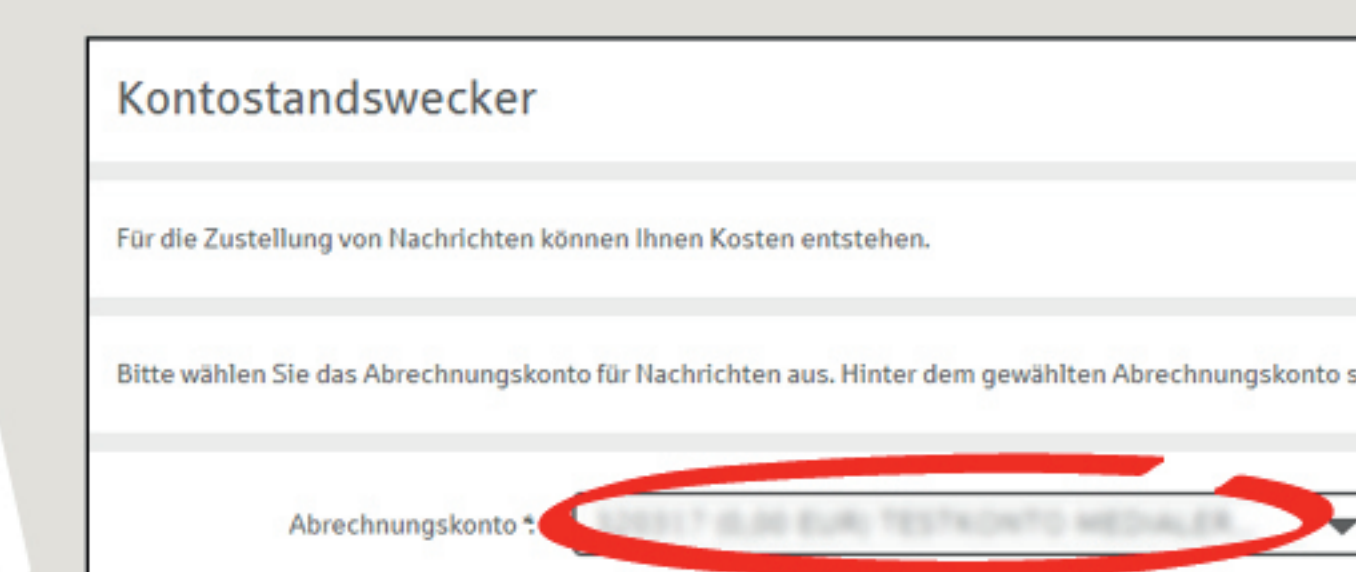

If you have just created the required recipient address or if it already exists, select it from the list and tap **Next** (“Weiter”).

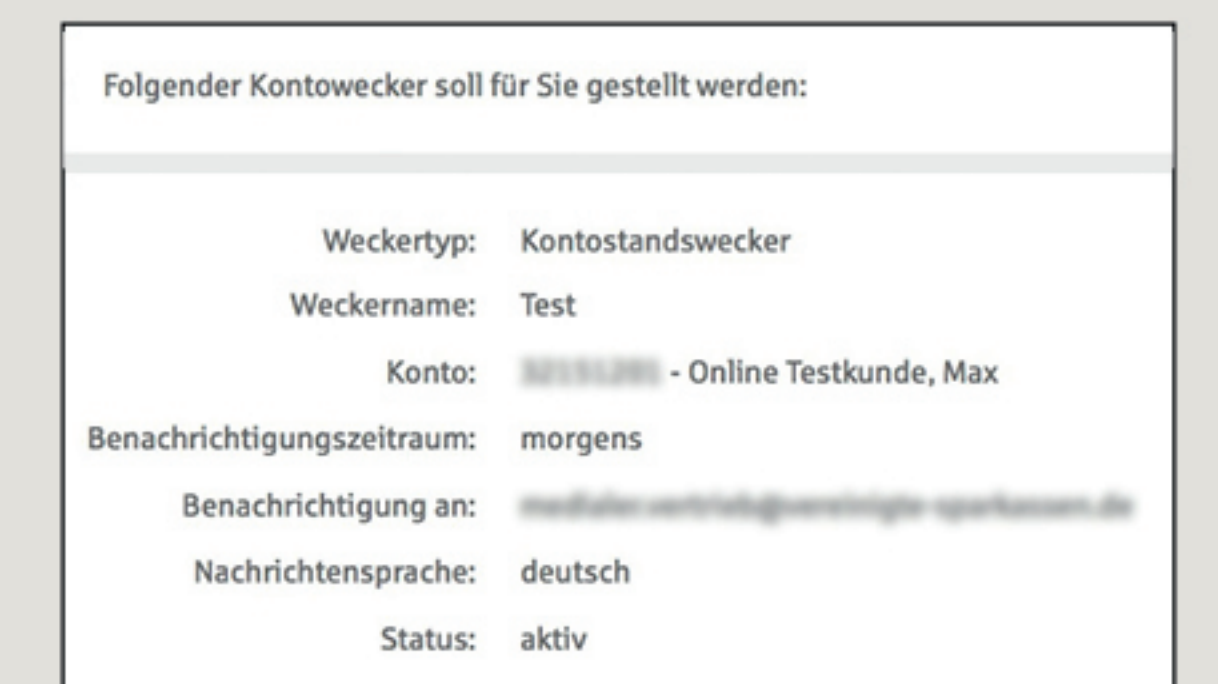

*Push notification: A message that is sent to you via the Sparkassen app.

5b Select an account for the notifications.

5c Check the details and activate the account alarm by tapping **Set alarm** (“Wecker stellen”).
